Dear Mr Gurney

Thank you so much for your kind and helpful letter. Believe me I appreciate it very much indeed, and it has dispelled the great distress I felt. I am especially glad to hear you are coming to London soon, and that so there will be a chance to talk over the whole matter of Ivor's affairs and your sister Winifred's letters with you. Almost any weekday between April 4 and April 19 would suit me excellently. At present the only dates during that time which I could not manage are April 7, April 9, April 14, and April 18, so please let me know on what date it will suit you to come to Harrow and London. It will give me great pleasure if you will come to lunch or tea with me here then. I am anxious that you should be conversant with the whole legal position of Ivor's affairs, and therefore what I would like to ask is whether you would kindly meet me at Mr Winterbotham's office (90. Queen Street. Cheapside. London. E.C.4) where you could see all the records, accounts, etc, and then if you would give me the pleasure of coming back to lunch here with me. Or if an afternoon suits you better than a morning, then could we meet, say, at 2. 30 at Mr Winterbotham's office, and then come back here to tea afterwards.

I will wait to reply to your sister Winifred's letter until after I have seen you.

With kind regards to you and Mrs Gurney

Yours sincerely

Marion M. Scott
